Farmingville, NY - On August 5, Councilwoman Jane Bonner (second from right) joined members of the Smithtown Hunt-Kennel Club for an open house at the Woodhull House in Wading River. During the event, visitors were encouraged to meet the dogs and learn about what they do and how they are trained. The open house was hosted by the club which maintains kennels on the property.

Dating back to 1720, the Josiah Woodhull House, located at 170 North Country Road in Shoreham, is an important cultural and historic landmark for Shoreham/Wading River and the surrounding communities. Donated to Brookhaven Town in 2002, the house is located in the Long Island North Shore Heritage Area and listed on the National Register of Historic Places and the New York State Register of Historic Places. In addition to its age, the historic significance of the house is due in part to the fact that it was owned by the grandson of Richard Woodhull, one of the founders of the Town of Brookhaven. Exterior restoration of the historic house will begin this fall.
